

PERSON TO PERSON

Try our free, easy-to-use
electronic payment service

Person to Person (P2P)* is an easy way to send electronic payments to friends, family and others, especially at a time when social distancing prevents us from our normal, every day activities. Transfer money directly from your checking or savings account, safely and securely, through Online Banking or your Mobile Banking App!

ONLINE BANKING

- Log into Online Banking
- Click "Transfer"
- Select "Send & Receive Money"
- Click on "Accounts/Contacts"
- Select "Add Contact"
- Complete the steps to add a payee
- Click on the magnifying glass next to your payee and click "Pay Contact"
- Enter the amount you want to pay
- Enter a message for your payee (optional)
- Click "Authorize"
- Your payee will receive a text or email with instructions for accepting the payment

MOBILE BANKING

- Log into Mobile Banking
- Click "Pay a Person"
- Select "Send Money"
- Choose the account from which you'd like to make your payment
- Enter your payee name, and their cell phone number or email address
- Enter the amount you want to pay
- Click on "Submit"
- Confirm your payment information and click "Proceed"
- Your payee will receive a text or email with instructions for accepting the payment

QUESTIONS?

We're happy to help! To learn more or to request assistance with any of MountainOne's digital banking services, simply complete an [Online Inquiry Form](#), or call us at 855-444-6861.
